

GREENLINKS COMMUNITY TRANSPORT

The Vale of Glamorgan Council has set up a community transport facility for residents of the Vale.

Greenlinks Community Transport has four accessible minibuses: two 9 seaters and two 12 seaters, plus two accessible cars.

Depending on vehicle availability and passenger demand, our volunteer driven vehicles can transport you to where you'd like to travel, when you want to travel.

Greenlinks Membership

By paying a £5.00 membership fee, you can use the Greenlinks Community Transport service to request transport for as little as £2.00 for each journey.

Full details are available at:

<https://www.valeofglamorgan.gov.uk/en/living/transportation/Greenlinks-Community-Transport.aspx>

or contact the Clerk of Llanfair Community Council for details and full information.
